The Corner | Initial Set-Up Briefing Document

22 June 2026

Boxing Ireland's new online membership and affiliation system, Sport:80, is now open.

The system will be known as The Corner.

Access the system by clicking the link: Boxingireland.sport80.com

We are introducing The Corner in stages. The first stage is for club affiliation for the 2026/27 season.

At this stage, each club secretary should:

- access the club profile using your email address;
- check and update the club details; and
- complete the annual club-affiliation payment.

Please complete the process by Tuesday 30 June 2026.

A step-by-step guide with screenshots is attached. The main steps are also set out below.

Please note: The Corner is being used as the centralised administrative system for submitting club-affiliation information and payment. It does not remove or replace the affiliation approval process set out in Rule 6 of the Boxing Ireland Rule Book. Club membership only becomes effective once all required approvals have been finalised.

Stage 1: This is your invite email

Please click the link and follow the instructions to: Boxingireland.sport80.com

1. create your password; and
2. complete the two-step verification process.

Please do not share your login details with anyone else.

You can also follow the yellow guided help dot in Sport:80, which will move through the system and provide step-by-step on-screen prompts.

Stage 2: Check and update your club details

Once you have logged in:

1. click Edit Profile under your club name;
2. check the main contact details;
3. check the club telephone number;
4. check the postal address; and
5. check the venue address where your club trains.

Please update any information that is incorrect or out of date.

Stage 3: Start your club affiliation

To submit your club-affiliation information and complete the annual affiliation payment:

1. click the Club Membership icon in the left-hand column under Profile;
2. click the blue Add Club Membership button; and
3. select your preferred payment option.

Payment through The Corner forms part of the affiliation application process. It does not, by itself, confirm that the club's membership is effective. Club affiliation remains subject to the approval process set out in Rule 6 of the Boxing Ireland Rule Book.

You will see two payment options:

One-time payment

This pays the affiliation fee for the current year only.

Auto-renewal

This sets up a recurring annual payment. The affiliation fee will automatically be charged to the card used when the club affiliation is due for renewal in future years.

Select your preferred option and click Next.

Stage 4: Confirm the club addresses

Please check and confirm:

1. the club's postal address for correspondence; and
2. the club's venue address where training takes place.

Stage 5: Complete the checkout process

Once you have checked the details:

1. click Add & Checkout;
2. go to the blue shopping-basket icon at the top right of the screen;
3. complete the billing details;
4. enter the card details; and
5. submit the payment.

Stage 6: Check that your online affiliation submission has been completed

Once the payment has been processed:

- a receipt will be sent to the email address entered during checkout; and
- your club-affiliation submission will be recorded on The Corner.

Please note that completion of the online submission and payment process does not, by itself, make the club's membership effective.

In line with Rule 6 of the Boxing Ireland Rule Book, club-affiliation applications remain subject to review and approval through the required County Board, Provincial Council and IABA processes. For the avoidance of doubt, membership only becomes effective when all required approvals have been finalised.

The Corner is being used as the centralised administrative system for the submission of affiliation information and payment. It does not remove the approval and oversight role of County Boards, Provincial Councils or Boxing Ireland.

Lunchtime Learning: live help sessions

To support clubs during the first stage of the rollout, we will run a series of short Lunchtime Learning sessions.

These will be practical live drop-in sessions led by Stephen Flynn.

Each session will last approximately 30 minutes.

Club secretaries can join to:

- get help logging in;
- work through the club-affiliation process;
- ask questions about updating club details;
- get support with the payment process; and
- raise any practical issues they experience while using the system.

The sessions are optional. You do not need to attend unless you are having difficulty completing the process. You can join whichever session is most convenient.

Session dates

The sessions will run every Monday, Wednesday and Friday from 1.00 pm to 1.30 pm, from Wednesday 17 June until Friday 3 July.

The same joining link will be used for each session:

https://shout.com/s/OXOBmFyC

What happens next?

This is the first stage of The Corner rollout.

At this stage, clubs are being asked to update their club profile, submit their affiliation information and complete the annual affiliation payment through the system.

The introduction of The Corner is an administrative system change. It does not amend Rule 6 of the Boxing Ireland Rule Book or remove the role of County Boards, Provincial Councils or IABA in the affiliation approval process.

Further parts of the system, including individual membership registration and additional functions for clubs and members, will be introduced separately.
